Damien Gould
Goodtel
20-40 Meagher St
Chippendale NSW 2008

Dear Damien and the Goodtel Team,

On behalf of everyone at the ASRC, I'd like to thank you for your incredible support to date totaling \$7,336.90 in monetary donations and \$4,500 in prizes for our annual Telethon auctions in 2020, 2021 and 2022.

Thanks to supporters like you, we continue to provide critical help and support to the most vulnerable members of our society. With your support, we're able to:

- Feed Families by providing thousands of people with essential food and groceries
- Pay for vital medication for people suffering from chronic pain and illness
- Provide rental payments and emergency housing for people at risk of homelessness
- Support job seekers, providing them with the skills and resources they need to find meaningful work
- Give legal assistance to hundreds of individuals and families to help them through their difficult immigration journey.

Your donations also power the fight for freedom for those still in detention and as well as those on our shores. With your support, the ASRC can maintain pressure on politicians to change policy by campaigning at all levels of government.

Thank you again for choosing to support the ASRC. Together, we are part of the movement that will shape Australia into a fairer, more compassionate and welcoming place for people who seek safety on our shores.

Warm regards,

Jo Gumley
Community and Events Coordinator (jo.g@asrc.org.au)

Dear Damien & the Goodtel team,

Thank you so much for your incredible contributions to ChildFund Australia over the past 4 years.

Your generous contributions of \$6,335.70 in cash donations have helped to continue and expand ChildFund's operations in our partner countries, improving the lives of children who need it the most.

In addition to our initial Covid-19 response, which provided handwashing stations, protection kits and food, we've been able to provide an additional 26 families living in the Horn of Africa with food provisions for 2 months, including 24kg of maize which is a staple used in many dishes. Food packs also include 10kg of nutritious beans, peas or lentils and 2L of oil for cooking.

ChildFund's work focuses on promoting the participation and protection of children in community life. Our vision is a world without poverty where all children and young people, regardless of their birthplace, can say: "I am safe. I am educated. I contribute. I have a future."

We are grateful for your continued support. On behalf of the children and the families with whom we work, thank you.

Yours sincerely,

Corinne Habel

Dear Damien and the Goodtel Team,

RE: Letter of appreciation to Goodtel

On behalf of all the staff at HeartKids, I would like to thank you for your donations to date, and your ongoing support of Heartkids.

HeartKids is the only national charity supporting Australians impacted by congenital heart disease. Our vision is that every child, teenager and adult in Australia with congenital or childhood-acquired heart disease (CoHD) has a fighting chance to live a long, healthy and fulfilling life.

Without the support of organisations like Goodtel, we cannot continue to support the large HeartKids community through in-hospital support, psychology services, transitional care, peer-to-peer activities, financial assistance, family advocacy, CHD education and information.

We greatly appreciate your ongoing donations totalling \$7326.55. These donations go towards HeartKids' goal in 2023/ 24 to increase access to support services and programs across Australia, with a particular focus on those living in isolated communities.

We thank you for your continuing support.

Yours sincerely,

Marcus

Dear Damien,

Donation from Goodtel

As one of your Good Causes, we are again most grateful for another generous donation. This brings the total that we have now received to \$3126.07 which has enabled us to distribute over 312 culturally relevant books to children in remote Communities in Australia. This is a wonderful result!

As you are aware we do not receive any government funding, so donations such as yours are extremely important as they enable us to carry out our work in providing the tools and resources remote Communities request so they can shape the direction of their children's literacy futures. It is through our collaborative investment in Community that ILF is able to support sustainable and positive change through the supply of books and a focus on the publication of First Nations content.

We work in over 400 remote Communities and have provided 3191 book packs to toddlers, kids, big kids as well as Community packs, delivering over 120,000 books throughout 2022. The demand remains extremely high and we are gearing up for even larger numbers this year. The generous support from Goodtel and your customers is really appreciated and we continue to look forward to working with you.

Regards,

Ben Bowen
Chief Executive Officer

Dear Damien & the team at Goodtel,

Thank you so much for your recent gift of \$726.76 to the National Breast Cancer Foundation (NBCF), bringing your total contribution to NBCF since March 2020 to \$7303.13.

It's only through the generosity of people like you that we can continue to fund our world-class research. Research that is relentless in its search for new ways to prevent, detect, treat and save lives from breast cancer.

We are working towards our goal of Zero Deaths from breast cancer. This year, we are funding research projects to help further understand risk factors, develop new ways to treat and monitor breast cancer, improve quality of life for breast cancer patients, improve treatment outcomes and ultimately – save more lives. Your donation is helping us to pave the way to that date.

You are a change-maker, part of a community who believes in the power of research to make a long and lasting difference. We can't thank you enough.

To learn more about the innovative projects that your gift is helping fund, please visit www.nbcf.org.au.

Thank you again for helping to save lives.

Kind Regards

Petra Barker

National Breast Cancer Foundation

Nourishing Our Country

1st August 2023

Damien Gould
20-40 Meagher St,
Chippendale NSW 2008,

Dear Damien & the Goodtel team,

Thank you so much for your contribution to OzHarvest to date. The total of \$6,954.60 donated by Goodtel so far has allowed us to provide an additional 13,909 meals for those in need.

At a time when the rising cost of living has seen the need for food relief significantly increase, our mission to Nourish our Country is more important than ever.

On any given day, over half a million households in Australia are struggling to put food on the table, with those with children are being hardest hit. The rising cost of living is the most common reason (64%) that people are struggling to put food on the table, with increased cost of food, energy and housing contributing the most*Foodbank Hunger Report

Additionally, OzHarvest reports that throughout their network of recipient charities, 30% of the people seeking support are doing so for the first time.

The fruit and vegetables we receive weekly from OzHarvest are always fresh and high quality. I no longer need to choose between my kids eating a healthy meal or paying the bills. – Deni, [OzHarvest Waterloo Market](#)
Customer

As a mum of three, knowing I can get fresh produce from OzHarvest is a lifesaver and allows us to focus on rebuilding our lives after the devastating floods. – Sam, Northern Rivers region

"We've gone from serving 1,400 customers a week, to 1,700. There are so many new people, many for the first time - who have googled food relief. They are often apologetic and ashamed to ask for food." Eliza van der Sman
OzHarvest Market, Sydney

OzHarvest is also committed to halving food waste by 2030, inspiring and influencing others to do the same, and transforming lives through education.

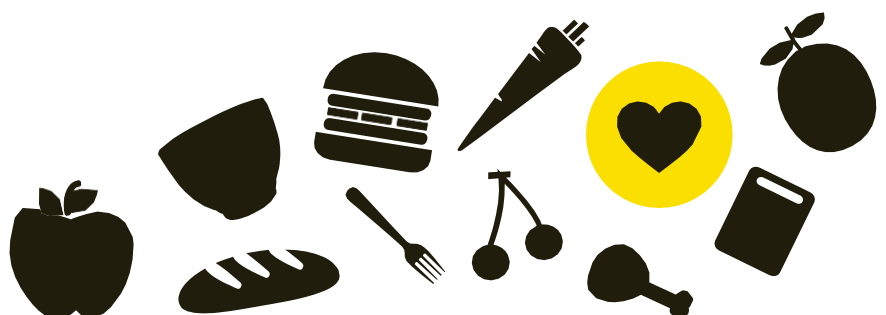

Across all our work in the community we are amazed everyday by the stories of hope that are all around us.

Thank you for being part of that story with us.

With gratitude,

Lisa Dainty – National Community Partnerships Manager

Dear Damien, Mia & the Entire Goodtel Team,

Rainforest Rescue are delighted to partner with Goodtel. Please accept this letter as confirmation that we gratefully accept the donations made to date totaling **\$2,096.47**.

Although the Daintree is part of the larger World Heritage area, there are many sections of its coastal lowland rainforest that remain **unprotected**. Rainforest Rescue fundraises to buyback and protect vulnerable intact rainforest that is not already part of the protected Daintree National Park.

So far, 42 properties and 1,776,851 square metres of Daintree lowland rainforest has been saved and protected forever by Rainforest Rescue. Goodtel's donations will enable Rainforest Rescue to keep undertaking this important work and is equivalent to the contribution towards protection of 419 square metres of unprotected Daintree rainforest habitat.

We look forward to working together to *Protect Rainforests Forever*.

Licuala Rainforest Sanctuary from above

Dear Damien & the Goodtel Team

Save-A-Dog Scheme is extremely grateful for your recent donation which brings the total received to date to \$8377.52. This makes such a difference to the animals in SADS care. Importantly, SADS relies on the support of businesses and the community to allow us to continue our work.

Since inception in 1986, SADS has been a leader in the 'No Kill' movement in Australia and has saved many thousands of dogs and cats from destruction to live out their natural lifespan. SADS takes in animals regardless of breed, age, size and healthcare status, with veterinary care being one of our most significant costs. Some animals require surgery and hospital care. However, this is a critical part of ensuring that animals are best placed to find the right, loving, forever home.

No matter how long it takes or how much it costs, the team at SADS works tirelessly to find homes for every animal that can be rehomed.

Yours sincerely

Chippendale NSW 2008

Dear Damien, Daniel & the Goodtel team,

Thank you for your support of sleepbus over the past 4 years, it is truly appreciated. The total of \$14,367.70 you have donated so far has enabled us to paint and apply signage on the Melbourne sleepbus, buy new power tools for building buses, contributing to our fundraising campaign for sleepbus health and providing safe sleeps to those in need. All of this goes a very long way to helping people find their pathway out of homelessness.

It's not ok to let someone sleep on the street, that's why, with your help, we are doing something about it. We have a simple focus; to provide safe sleeps and keep people sleeping rough safe and healthy until they can get back on their feet.

At sleepbus, we refer to our supporters as the "sleepbus family" and we define this as; "When people work together, their strengths magnify. Family bestows them with a collective power to withstand all kinds of hardship. This is why family is extremely important." Goodtel and all sleepbus supporters are family, working together to help those less fortunate and it powers everything we do.

Thank you for being part of our family and helping us to continue our mission to bring safe, temporary, overnight accommodation to people sleeping rough in Australia.

Simon
