Dear Damien and the Goodtel Team,

On behalf of everyone at the ASRC, I'd like to thank you for your incredible support to date totaling \$16,742.26 in monetary donations and over \$7,500 of in kind donations for our annual Telethon auctions since 2020.

Thanks to supporters like you, we continue to provide critical help and support to the most vulnerable members of our society. With your support, we're able to:

- Feed Families by providing thousands of people with essential food and groceries
- Pay for vital medication for people suffering from chronic pain and illness
- Provide rental payments and emergency housing for people at risk of homelessness
- Support, mentor and train job seekers, providing them with the skills and resources they need to find meaningful work
- Give legal assistance to hundreds of individuals and families to help them through their difficult immigration journey.

Your donations also power the fight for freedom for those still in detention and as well as those on our shores. With your support, the ASRC can maintain pressure on politicians to change policy by campaigning at all levels of government.

Thank you again for choosing to support the ASRC. Together, we are part of the movement that will shape Australia into a fairer, more compassionate and welcoming place for people who seek safety on our shores.

Warm regards,

Jo Gumley

Dear Friends at Goodtel,

Thank you so much for your incredible contributions to **ChildFund Australia** over the past five years. Your generous support, now totalling **\$11,097.97**, has helped continue and expand our work in partner countries, improving the lives of children who need it most.

Your **recent donations totalling \$2,211.08** (April, June, August and December 2025) have directly contributed to the provision of **approximately 221 mosquito nets** for children and families living in high-risk areas (based on an average of \$10 per net). These nets play a critical role in preventing mosquito-transmitted diseases such as malaria, dengue and yellow fever, illnesses that continue to threaten children's lives every day.

Access to a simple mosquito net can mean the difference between illness and health, between vulnerability and protection. Through your support, hundreds more children are now sleeping more safely at night, with a reduced risk of preventable disease and its long-term impacts on their development and wellbeing.

Our vision at ChildFund Australia is a world without poverty where all children and young people, regardless of their birthplace, can say: "I am safe. I am educated. I contribute. I have a future." This would not be possible without committed partners like you.

On behalf of the children and families we work alongside, thank you for continuing to help ensure every child has the childhood they deserve.

Very best,

Guillermo Lozano-Leo

Dear Damien, Daniel, and the Goodtel Team

**Letter of Appreciation**

On behalf of HeartKids I want to extend our thanks for your generous donations totalling \$6197.06 between July 2024 and December 2025.

HeartKids is Australia's only charity that is solely dedicated to supporting and advocating for children, teens, adults and their families impacted by childhood-onset heart disease (CoHD).

We have walked alongside families and individuals on their CoHD journey for nearly 50 years. Our dedicated team of Support Coordinators provide care, connection and compassion through their delivery of tailored information, resources and peer connections to those they connect with.

Your contributions to HeartKids, totalling \$15,169.13 overall, reinforces our ability to deliver these essential services in hospital and clinical settings and in the community to empower those on their unique journey with childhood-onset heart disease.

We are so thankful for your generosity and support of the HeartKids community. Your help makes a real difference; we hope to continue to work together.

With sincere appreciation,

Samantha Glastonbury

Dear Damien,

**Impact from Goodtel**

As one of your Good Causes, we are again very grateful for your most recent donation of \$1,541.88, which brings your donation total up to \$15,044.32. This has enabled us to distribute **1504** culturally relevant books to children in remote Communities across Australia through our *Book Supply* program. We are so appreciative of this, especially since the desire for these resources is strong and ever growing.

**In 2025, the ILF has:**

- Delivered **148,300** books, to **523** remote Communities through *Book Supply*.
- Worked with **116** playgroups with the *Book Buzz* early literacy program.
- Published **19** books featuring **14** languages. **Four** of these are languages we've not published before: Dhurga, Wakka Wakka, Wik Mungkan and Wirangu.

**Overall the ILF has:**

- Gifted **over 1 million** books to remote Communities through our *Book Supply* program
- Implemented its early literacy program *Book Buzz* into **116** remote playgroups
- Published **235** titles reflecting up to **45** Indigenous languages

We are so appreciative of Goodtel's support to help us achieve our important goals and we look forward to continuing working together.

Regards,

David Stewart

Dear Damien & the team at Goodtel,

Thank you so much for your recent gift of \$847.00 to the National Breast Cancer Foundation (NBCF), bringing your total contribution to NBCF since March 2020 to \$15,881.78.

It's only through the generosity of people like you that we can continue to fund our world-class research. Research that is relentless in its search for new ways to prevent, detect, treat and save lives from breast cancer.

We are working towards our goal of Zero Deaths from breast cancer. This year, we are funding research projects to help further understand risk factors, develop new ways to treat and monitor breast cancer, improve quality of life for breast cancer patients, improve treatment outcomes and ultimately – save more lives. Your donation is helping us to pave the way to that date.

You are a change-maker, part of a community who believes in the power of research to make a long and lasting difference. We can't thank you enough.

To learn more about the innovative projects that your gift is helping fund, please visit [www.nbcf.org.au](http://www.nbcf.org.au).

Thank you again for helping to save lives.

Kind Regards

Petra Barker

Nourishing Our Country

Damien Gould  
20-40 Meagher St,  
Chippendale NSW 2008,

Dear Damien & the Goodtel team,

Thank you so much for your generous contributions to OzHarvest to date. The total of \$19612.79 donated by Goodtel so far has allowed us to provide **39,225 meals for those in need**. In addition it has enabled:

- 19,612kg of food saved from landfill
- 19,612kg of greenhouse emissions prevented through avoiding food waste

It's more vital than ever to put food on the table for so many families struggling to make ends meet. In 20 years of 'Nourishing our Country' demand for our services is at an all-time high, and fundraising is crucial right now.

Right now, 31% of people experiencing food insecurity have never needed help before. It's not who you'd expect either. It's people with full-time jobs (sometimes two), families with working parents, single parents, pensioners and students. We're working hard to get nourishing food to people who need it most and we need your help.

*The fruit and vegetables we receive weekly from OzHarvest are always fresh and high quality. I no longer need to choose between my kids eating a healthy meal or paying the bills.* – Deni, [OzHarvest Waterloo Market](#)  
Customer

*As a mum of three, knowing I can get fresh produce from OzHarvest is a lifesaver and allows us to focus on rebuilding our lives after the devastating floods.* – Sam, Northern Rivers region

OzHarvest is also committed to halving food waste by 2030, inspiring and influencing others to do the same, and transforming lives through education.

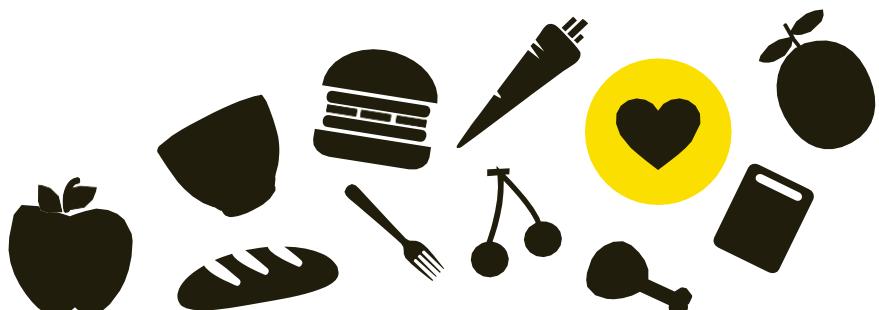

Across all our work in the community we are amazed everyday by the stories of hope that are all around us.

Thank you for being part of that story with us.

With gratitude,

**Dear Damien, Mia & the Entire Goodtel Team,**

We are delighted to have continued this strong and impactful partnership with Goodtel, and it's been a delight to see it grow over the years. Please accept this letter as confirmation that we gratefully accept the donations made to date totaling **\$11,889.39**.

Although the Daintree is part of the larger World Heritage area, there are many sections of its coastal lowland rainforest that remain **unprotected**. Rainforest Rescue fundraises to buyback and protect vulnerable intact rainforest that is not already part of the protected Daintree National Park.

So far, 47 properties and nearly 2 and a half million square metres of under-protected lowland rainforest has been saved and protected forever by Rainforest Rescue. Goodtel's donations will enable Rainforest Rescue to keep undertaking this important work and is equivalent to the contribution towards protecting **2,378 square metres** of unprotected Daintree rainforest habitat.

We look forward to continuing our partnership together to *Protect Rainforests Forever*, well into the future.

Dear Damien & the Goodtel Team

Save-A-Dog Scheme is extremely grateful for your recent donation of \$3,930.95 which brings the total received to date to \$17,052.20. This makes such a difference to the animals in SADS care. Importantly, SADS relies on the support of businesses and the community to allow us to continue our work.

Since inception in 1986, SADS has been a leader in the 'No Kill' movement in Australia and has saved many thousands of dogs and cats from destruction to live out their natural lifespan. SADS takes in animals regardless of breed, age, size and healthcare status, with veterinary care being one of our most significant costs. Some animals require surgery and hospital care. However, this is a critical part of ensuring that animals are best placed to find the right, loving, forever home.

No matter how long it takes or how much it costs, the team at SADS works tirelessly to find homes for every animal that can be rehomed.

Yours sincerely
